## **TRIAL ENTRY INFORMATION**

### **Trial Entry Open and Closing**

- The draw period for the trial will open on Monday, August 2, 2021 12PM Eastern time. Entries will be awarded by random draw of all entries received between Monday, August 2, 2021 12PM Eastern time and Wednesday, August 4, 2021 12PM Eastern time
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or on the closing date which is 5PM Eastern Time on Friday, August 27, 2021.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will

receive information on how to submit payment. You will then have 3 BUSINESS DAYS to complete your payment to confirm your space in the trial.

### **Entry Method**

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from [kathy@sniffalertfinish.com](mailto:kathy@sniffalertfinish.com) to let you know if your entry has been given a space in the trial.

### **Entry Requirements & Selection**

**A Qualified Entry is one that meets all the following criteria:**

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member for the 2021-2022 membership year (8/1/21 - 7/31/22).
3. The Dog is registered with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the ORT title (passed all 3 odors) and prior title level at least 14 days before the trial opens for entries. This applies to all levels effective April 1, 2021.  
Qualified entry for NW3 – Dog has earned a NW2 title and has not yet earned the NW3 Elite title level.

**Trial spaces will be determined in the following manner:**

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above.
- In the event that you are having technical difficulties with the entry system, please email [trialentry@nacswnet.net](mailto:trialentry@nacswnet.net) prior to the end of the draw period.
- No dog will be given a space in more than one trial of the same level at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full. Second dog/handler entries on the alternate day may be accepted after all first dog/handler entries received by August 9, 2021 are accommodated.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.
- After all entries received during the draw period are processed, if the trial level is still not full, entries will continue to be accepted in the order they are received through the closing date or when entries fill.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.  
If space remains after all qualified entries are accommodated on August 9, 2021, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after August 27, 2021.
- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

You will be notified via e-mail of the results of the random draw by 9:00 PM Eastern Time August 13, 2021

If you have a spam blocker on your email account, please configure it to allow email from [kathy@sniffalertfinish.com](mailto:kathy@sniffalertfinish.com) to ensure delivery of confirmation and information about this trial.

## LOCATION DETAILS

### **Trial Conditions**

Modeled after real-life detection work, NACSW trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

### **Site Specific Conditions**

This trial location is a children's camp/outing center. The parking lot and some paths are paved. Pathways and search

areas may require you to navigate short staircases, gravel roads, rough pathways in the woods and terrain in wooded areas. The outing center is located on a hill, so you may encounter stairs or moderate elevation changes. The search areas may include pavement, grass, and planting areas. The outing center is large and spread out so there may be long walks to the search areas.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute.

### **Reactive Dog Parking**

There will be reactive dog parking at this trial for those who wish to park in this area, however there may not be separate potty areas or warm up boxes.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

### **Unentered Dogs**

Unentered dogs must remain in the competitor's vehicle during the trial day. There will be ample potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the trial grounds.

### **RV Parking**

RV parking is not available for this trial.

### **Smoking**

Smoking is not allowed on this trial site, including the use of e-cigarettes

### **Hotels**

A list of area hotels and directions will be provided with entry confirmations.

## **DOG INFORMATION**

### **Dog Policies**

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

### **Females in Season**

Will be allowed to run wearing "pants" at the very end of the running orders after all other dogs have been judged. Females in season will be parked and pottied in areas separate from the other dogs while at the trial if the location logistics permit. Handlers must contact [kathy@sniffalertfinish.com](mailto:kathy@sniffalertfinish.com) so plans can be made for the dog.

## **OTHER INFORMATION**

The competitor also agrees to assume all financial liability that may be incurred by the NACSW due to the actions of themselves or their dogs regardless of the cause.

### **Sportsmanship**

All competitors/handlers and spectators are expected to follow the rules of the NACSW and demonstrate good sportsmanship. This includes making sure the hide placements are unknown to the handler prior to testing and kept secret from other competitors. Please do not discuss hide placement or any details of a dog's performance that may provide information or clues to other handlers or may be overheard.

### **NACSW Results**

Results for each search and overall will be posted after all searches are completed and scores are verified for you to record your results for your own records. It is your responsibility to ensure your scores are accurate prior to leaving trial grounds. If a discrepancy cannot be verified at the trial, you may be instructed to submit a score card review request. It is not the responsibility of the host or NACSW to return score sheets that are left behind or to mail ribbons that are not picked up.

### **Spectators**

Spectating will be allowed at elements, space permitting and at the Certifying Official's discretion. Spectators may not photograph or video searches. Children under 18 must always be directly supervised by a parent/guardian. No dogs will be allowed in the spectator area. No unentered dogs with spectators are allowed at the trial. Spectators are reminded that the hide placements must not be discussed nor should they speak with any competitors about what they saw until after the trial is complete.

An adult accompanying a minor must be present during the searches. Everyone at the trial site must sign the waiver provided by the host and comply with all event requirements.

Competitors are not allowed to watch the trial at any time.

### **Videotaping and Photography**

At this time, if there is an in person walk through, competitors may be allowed to take videos and photos of the search areas in order to help familiarize themselves with the search area. Due to site privacy issues or time constraints, competitors may not be allowed to photograph or video a search area during the walk through. At the host's discretion, a photographer and/or video service may be present during the trial to offer photos and/or videos for sale to the competitors.

As a condition of your entry, you agree to allow NACSW, or their agents, to video you and your dog during the entirety of the NACSW event. These videos are the property of NACSW. All competitors, through entry at any NACSW event, waive any and all rights relative to video broadcast or photography of such event.
